MANAGEMENT

Our management team of Kimberly Fontenot, the company founder and Paul Johnson have a combined experience spanning 50 years servicing the needs of clients across both the US and International markets.

KIMBERLY FONTENOT

Founder: Grant Specialist

Kimberly created Stellar Grants, Inc. in 2002, and has had substantial growth since its inception.

During 2006 she will celebrate her twentieth year in the field of grants, RFP's and allied services.

Background To Her Career In Grants

Prior to launching the company Kimberly worked at a number of prestigious organizations in Texas, and on the East Coast. The following summarizes some of those positions.

- ◆ Special Education Program Coordinator/ Development Director for River Oaks Academy in Houston, Texas
- ◆ Executive Director of Justice for Children in Houston, Texas
- ◆ Executive Director of The Art League in Houston, Texas.

Prior to moving to Texas, she worked in Richmond, Virginia. Companies Kim served included:

- ◆ Executive Director of The Grace House, a United Way Agency
- ◆ Development Director for Catholic Charities

EDUCATION

Kimberly received a B.A. from Virginia Commonwealth University in Richmond, Virginia in 1982 in Political Science. She also took 44 hours of graduate hours in Special Education, Learning Disabilities and Emotional Disorders.

She has been certified in mediation, "Point of Entry" donor base development and implementation, and as a fundraising consultant.

PAUL JOHNSON

Business Support Services

Paul's career experience spans over 30 years working generally on the business side of creative, and client-driven environments in both the USA and International markets.

Background

Prior to joining forces with Stellar Grants he has for the last 15 years provided business consulting services for clients in both the US and International markets. His client base has been diverse in size, and by industry type, and his services have spread over an extremely diverse range of companies and projects.

This includes strategy development, the preparation of Business and Marketing Plans-as well as New Business and Sales presentations, marketing collateral, corporate communications, publications, and business, marketing and web projects. His career includes senior management and Board positions at:

- ◆ Island Records: To General Manager, and latterly International Director
- ◆ Chief Executive, Board and Senior Account Management, within various Advertising and Marketing Agencies

He is fluent in many computer software programs that are business-related to the functions he performs for Clients, with a strong belief in quality of presentation.

He has also acted as Chairman for two charity events that he created to benefit:

- ◆ Terminally and Critically Ill Children [The Starlight Foundation]
- ◆ The Environment [Living Earth]
